Speaker Profiles

Thabiso Mpyane

I serve as the Office Head with RIMS. My role involves overseeing the organisation's operations, managing the QCTO accreditation process, ensuring compliance with QCTO and SETA requirements, monitoring the implementation of learning programmes, and maintaining quality standards across our training and administrative functions.

Toli Mokhine

I am an experienced ICT Facilitator, Project Manager and IT Specialist with over 7 years of experience delivering practical training in end-user computing, systems development, project management and business advisory operations. Skilled in learner mentoring, technical support, programming, digital productivity tools and workplace-based skills development. Able to simplify complex concepts and support learners to apply their knowledge confidently in real-world environments.

Dr Wynand Goosen

I am an academic, business leader, and consultant with over 30 years of experience in higher education, skills development, and corporate advisory services. Throughout my career, I have held various executive leadership positions, including Chief Executive Officer of Infomage Rims Group and SkillzBook International, as well as senior academic leadership roles at the University of Johannesburg.
